

HIKO NOSELIFT CONSENT FORM

I understand that no warranty or guarantee of specific result has been made to me. I realize that, as in all medical treatment, complications or delay in recovery may occur which could lead to the need for additional treatment, and could result in a delay to one's normal daily activities and thus economic loss.

I understand my practitioner may discover other conditions which require additional or different procedures than planned treatment. I authorize my practitioner and his or her associates, technical assistants and other health care providers to perform such other procedures which are advisable in their professional judgment.

I understand my nose may not achieve the desired improvement anticipated. I understand sutures may extrude, may have to be trimmed or may have to be removed in the future.

I understand the results may relax over time and additional procedures may be required. I consent to the taking of photos before, during or after the procedure to document my progress.

The nature of the elective procedure, its risks and potential complications have been fully explained to me along with available alternative treatments and their benefits and risks has been discussed. I understand I have the right to refuse treatment. I have been instructed to and agree to abide by all safety precautions and post treatment instructions and have been given a written copy. I understand no refunds will be given for received treatment and no guarantee(s) have been given regarding the results.

AFTERCARE:

- Avoid applying makeup for at least 3 hours.
- Avoid strenuous activities.
- Avoid excessive heat exposure.
- Avoid alcohol for at least 2 weeks.

I release the facility, medical staff, and other technicians from liability associated with this procedure. I understand that this procedure will be performed by an Aesthetician, not a Doctor. This consent is voluntarily executed and shall be binding on my spouse, relative, legal representatives, heirs, administrators, successors and assignees. I also certify that if I have any changes in my medical history I will notify immediately. I also state that I read and write in English.
